The CAB boundary line then continues in a southeasterly direction cross-country to the intersection of Hwy 229 and Hwy 58 (thereby taking in Rocky Canyon Road from the barricade east and residents living along Hwy 229).
3. From the junction of State Highway 229 and 58 proceed east along Hwy 58 to Goldie Lane (taking in only residents to the north of Hwy 58).
4. Proceed along a straight-line southeast to the junction of Huer Heuro Road and Park Hill Road (taking in only residents who access their property from Huer Huero Road).
5. Proceed north to join with the most westerly border of the Los Padres National Forest. Follow the Las Padres National Forest boundary north and then east up to the point at which Indian Creek connects to the forest boundary line.
6. Head north, following Indian Creek until the point at which it reaches the intersection of La Panza Road and Hwy 58.
7. Proceed north along the eastern San Luis Obispo 5th District boundary until it meets Hwy 41.
8. Proceed west along Hwy 41, following the District #5 boundary as it crosses Hwy 41 and heads north and west until reaching the northwest corner of Geneseo Precinct 504.01
9. Proceed directly to the Arizona crossing of the Huer Huero Creek just south of Eagle Oak Ranch Way.
10. Proceed west and south to the intersection of Summer Ranch Rd and Creston Rd. This includes all residents who access their properties along Geneseo Rd south of the Arizona crossing and who live on Summer Ranch Rd.
11. Cross Creston Rd and proceed south along Cripple Creek Road to Hwy 41. This includes all residents of Cripple Creek Rd and all residents who access their properties on roads to the east of Cripple Creek Rd.
12. From the intersection of Cripple Creek Rd and Hwy 41 proceed west along Hwy 41 back to the start, taking in all residents who live along Hwy 41 and vote in a Creston precinct.
