GLENN AND DOROTHY DUMKE
FELLOWSHIP

The Glenn and Dorothy Dumke Fellowship was established in memory of Dr. Glenn S. Dumke, Chancellor of the California State University from 1962 to 1982.

Chancellor Dumke was born in Green Bay, Wisconsin in 1917. He received his B.A. and M.A. degrees at Occidental College and his Ph.D. at UCLA. He also held honorary degrees from nine other distinguished universities across the country. In 1940, Dr. Dumke began his 42-year career in higher education as an instructor of history at Occidental College. He went on to become a professor of history and dean of the faculty at Occidental College before becoming president of San Francisco State College in 1957. While serving as president, Dr. Dumke was one of the principal architects of the Master Plan for Higher Education in California, which became the blueprint for the State's higher education system. Under Dr. Dumke's leadership, the university system made great progress in the breadth and quality of academic programs. Quoting a former CSU chancellor, "He organized 16 separate academic programs into a single system that became a model across the nation... it happened because Dr. Dumke was a visionary leader."

The purpose of this fellowship is to encourage student scholars to engage in graduate work in fields such as public policy, American history, economics, archival management and government. Preference will be given to projects that involve research about the State of California. The selected scholar is expected to pursue research projects within special CSU library/archival collections.

One fellowship of $1,400 will be awarded for the 2019-2020 academic year. Applicants must:

• Be in good standing and have a minimum cumulative GPA of 3.0 on a 4.0 scale.
• Be a CSU graduate student in the areas of public policy, American history, economics, library science, archival management, or government during the academic year.
• Use the award to pursue research projects within the Dumke Collection or other collections housed within the CSU archives at CSU Dominguez Hills, the Center for California Studies at CSU Sacramento, or other special collections within the CSU system.
