IMPORTANT: Submit as soon as possible. Aid will not disburse until all items are submitted and reviewed. Once all items are submitted, allow 3-6 weeks for review. If awarded FWS, SEOG, or Perkins, documents must be submitted no later than June 30, 2017 to avoid potential cancellation of those funds. In all circumstances, for any aid, documents must be submitted prior to the last day of a student's enrollment at Cal Poly.

The National Student Loan Data System (NSLDS) indicates that one or more of your federal student loans have been discharged due to a disability. Before you can receive additional student loans you must:

- Provide a physician's certification (on physician's letterhead) that you are able to engage in "substantial gainful activity" such as working.

AND

- Sign below affirming the new Federal Stafford and/or Federal Perkins Student Loan for which you are applying cannot later be discharged for any present impairment (unless your impairment deteriorates so that you are again totally and permanently disabled).

AND

- You must reaffirm any previously discharged loans if you are borrowing within 3 years of onset of the disability.

If you are still interested in a federal student loan, submit the above requests and complete the following:

I affirm the new Federal Student loan(s) cannot be cancelled on the basis of any present impairment unless my condition substantially deteriorates.
