Emma Prusch Farm Park Foundation
Scholarship Fund
In Memory Of John Haggerty

2019/2020 Undergraduate Scholarship

The Prusch Farm Park Foundation will be pleased to award three scholarships in the amount of $1000 to three women studying in the field of agriculture. Applicants must be enrolled in a degree program in the agriculture or related field at a California university or college.

ELIGIBILITY

Applicant must meet all of the following requirements:

- Female resident or former resident of Santa Clara County
- Must be an undergraduate of at least Junior level standing
- Be enrolled as a full-time student in a California university or college
- A minimum cumulative GPA of 3.5 (based on a 4.0 scale) calculated through the last quarter or semester prior to application
- Major in agriculture or related field

APPLICATION and AWARD PROCESS

The original scholarship application must be completed, signed and postmarked no later than June 30, 2019. The balance of the scholarships requirements, including essay, transcripts and letter(s) of recommendation must be received no later than July 30, 2019 via US mail or electronic delivery to PruschFarmPark@gmail.com. Scholarship funds will be released upon selection and proof of enrollment. Recipients will be notified by August 30, 2019 with funding directly to recipient no later than September 30, 2019. Recipients are required to report the monetary award to the financial aid department of the school in which they are enrolled.
ESSAY (40 percent of score)

Please provide a one-page statement, single-spaced with a font no smaller than 11 point. Do NOT include your name or school anywhere on the essay. Your essay should be based on your personal interest and experience in the field of agriculture including past clubs, organizations, community service, professional affiliations and employment that support your area of study. Please write as much detail and information as you can about your chosen field. This essay is key to your application and therefore, the more information, personal history and insight you can share the better. You may want to include a statement about how you would like to contribute to the field of agriculture.

SCHOLARSHIPS OR ACADEMIC PERFORMANCE

(30 percent of score)

Please include transcripts for all colleges and/or universities you have attended. Unofficial transcripts or photocopies are acceptable, but must be clearly legible.

LETTERS OF RECOMMENDATION (30 percent of score)

Please provide at least two letters of recommendation, at least one of which is from a college or university faculty member and the other from someone involved in the field of your major, or industry professional. Emailed letters are preferred. They must be sent directly from the author. Letters sent as hardcopies by the applicant must be in a sealed and signed/envelope provided by the author. Letters emailed by applicants will not be accepted.

QUESTIONS

Any and all questions about this program will be addressed electronically. Our contact information is as follows:
